Blue Jean Friday's for Charities!

Starting April 10th, MSKTD staff can donate \$5 for the opportunity to wear blue jeans on Friday's. Each month's donations will go to a designated charity.

Staff members have proposed charities that are personal to them – April and May's donations in Fort Wayne will go to the local **"VisionWalk 2009 – Fort Wayne"** benefiting the **Foundation for Fighting Blindness**. MSKTD's Rick D has been active in establishing the local chapter of this organization dedicated to fighting retinal degenerative diseases. Profits from a weekly in-office Monday bake sale will also go to this charity.

Blue Jean Friday's join our Christmas Bureau Family "adoption," biannual in-office Red Cross Blood drives, pop cans for Habitat for Humanity, CANstruction, in-office bake/snack sales, et al, as part of our staff's commitment to giving back to our communities.

So, if you happen to visit either of our offices on a Friday and notice some of us are casually dressed, remember, it's for a good cause!
